Project steps

TRAIT has got three priorities:

- develop basic and transversal skills using innovative methods;
- improve the professional curricula of VET teachers and trainers;
- promote high quality work-based VET.

TRAIT is a project focused on three main topics:

1. New innovative curricula/educational methods/
development of training courses
2. Labour market issues including career guidance / youth
unemployment
3. Open and distance learning

STRIPS directly involves 1095 participants:

- participants to the transversal skill research;
- participants to the IO2 local testing phase;
- participants to the IO2 international testing phase;
- participants to the evaluation of the blended course;
- participants to the dissemination phase of IO1 and IO2;
- participants to the multiplier events.

TRAIT is going to work on two intellectual outputs:

The research will outline how the selected 6 transversal skills

1. Learning to learn
 2. Social and civic competence
 3. Sense of initiative and entrepreneurship
 4. Cultural expression
 5. Interpersonal communication
 6. Ethical values and sustainable development - good governance
- are represented in the work-field, with the aim to rank them according to their importance and relevance within the labour market.

TRAIT is going to work on two intellectual outputs:

A red circular graphic with white text inside. The text is arranged in four lines: '2.A', 'TRAIning', 'Transversal', and 'Blended learning Toolkit'.

2.A
TRAIning
Transversal
Blended
learning Toolkit

The Toolkit will contain 3 items:

1. an online e-learning platform;
2. a manual of transversal skills;
3. face-to-face training material

TRAIT team plans three transnational meetings:

1. the kick off meeting in Romania, Iasi - November 2015;
2. the second meeting in Italy, Roma - June 2016;
3. the closing meeting in Czech Republic, Českých Budějovic July 2017.

TRAIT team plans two Intensive Study Programme:

1. in Italy, Torino - November 2016;
2. in Austria, Oberpullendorf - March 2017

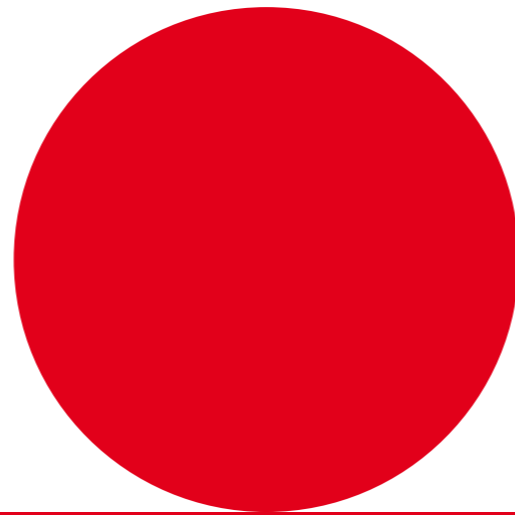

TRAIT team schedules six Multiplier Events in June-July 2017 one in each partner's country.
