

TecMinho

DECLARATION OF INTENT

In order to increase accessibility in all spheres of TecMinho activity in line with Guidelines for Accessible TecMinho intends to:

- Promote and share the guidelines on accessible and inclusive information, in both face to face and online training
- Improve the student's access to educational material via trainer's awareness and use of the guidelines for accessibility
- Improve the student's access to institutional websites, documents and administrative information via administrative and technician's awareness and use of the guidelines for accessibility
- Develop a set of simple organizational guidelines to improve educational materials and administrative information accessibility, including paper and digital means (website, platforms, etc)
- Awareness events on accessibility in collaboration with the trainers/trainees for continual improvement
- Follow innovations in the field of accessibility and universal design for learning
- Include the organizational accessibility guidelines in the course programs, websites and in the learners experience.
